Department of Computer Science and Engineering**

Admission Process and Flowchart

Programme: B. Tech in Computer Science and Engineering

Computer Science and Engineering is a 4 year, 8 semester Undergraduate program aimed at studying, designing, developing, implementing, support and management of computer-based information systems. Students under this course concentrate on both software and hardware areas. It provides advanced studies in Information Systems Design, Communication Systems and Networking, Foundations of Computing Systems, and Internet and Web-based Technologies. Students have to take up electives from a wide choice of subjects, such as Embedded Low Power Systems, Object Oriented Systems, Information and System Security and Software Reliability. This course emphasizes on to develop the necessary skills for the students to sustain in today's industrial expectation, in pursuit of excellence by keeping high personal and professional values and ethics.

ELIGIBILITY

- ❖ Eligibility for the programme is a pass at the +2 level (Karnataka PUC / ISC / CBSE / NIOS / State Boards) Examination from any recognised Board.
- ❖ Candidates should have studied Physics, Chemistry and Mathematics at +2 level and obtained a minimum aggregate of 50% in Physics, Chemistry & Mathematics and 50% in Mathematics.
- ❖ Candidates writing the +2 examinations in March-May 2020 may apply with their class X and XI marks.
- ❖ Students pursuing International curriculum must note that eligibility is according to AIU stipulations:
- ❖ Applicants pursuing IB curriculum must have 3 HL and 3 SL with 24 credits.
- ❖ Applicants pursuing GCE / Edexcel must have a minimum of 3 A levels with a grade not less than C.
- ❖ Lateral Entry: Candidates who have successfully completed the 3 year diploma in Engineering are eligible to apply for lateral entry into engineering programmes.

APPLICATION PROCESS

Applicants may apply for the programme from the month of December (NRI applicants opting for selection process in Kuwait/Dubai/Doha will be able to apply from the month of October) when applications will be available online on the University website till the date applications will officially close.

All applicants must visit the page: <https://appstat.christuniversity.in> and register by entering NAME (as printed on Class 10 Marks Card), EMAIL-ID and set a password. (The email id and mobile number provided will be used for sending confirmation and application

status-update messages). An applicant can apply for as many programmes using the same ID as long as the prescribed eligibility criteria for the specific programme is fulfilled.

Application Mode:

Online mode: To fill and submit application using online mode, log on to our website www.christuniversity.in and click on "Admissions", proceed to click on the Application Status followed by appstat link: <https://appstat.christuniversity.in/>. In the confirmation page click, on 'Applications' and click on the preferred programme.

Direct mode: Application forms will be available at Office of Admissions, CHRIST (Deemed to be University), Kengeri Campus, Kanmanike, Kumbalgodu, Mysore Road, Bangalore, Karnataka - 560074. To fill and submit application using offline mode, log on to our website www.christuniversity.in and click on "Admissions", proceed to click on the Application Status followed by appstat link: <https://appstat.christuniversity.in/> in the confirmation page click, on 'Applications' and click on the preferred programme. Choose offline application and enter the Application No., which is printed on the top left corner of this page, and the Receipt No. printed on the receipt.

COMEDK UGET 2020-21 Admission Process**

Programme: B. Tech in Computer Science and Engineering

Accordingly, For the academic year 2020-21, COMEDK will conduct UGET – Under Graduate Entrance Test 2020. The aim is to conduct admission to undergraduate engineering programs under Karnataka state.

- Firstly, the candidate needs to register at the official website of COMEDK. The various details that the student needs to fill in the registration form are as follows: name, DOB, E-mail address, Mobile no, Unique ID proof of applicant (Passport/Voter ID / Driving License/ Aadhar card/ School or college ID), applicant's unique ID's number.
- After collecting these details, a candidate should fill the registration form. Further, this form must be filled in with accurate details. As they play a definite role in the future reference document.
- Furthermore, after the successful COMEDK registration 2020, the candidate will receive User Id and password on their registered mobile number and an E-mail ID.
- This user ID is essential to fill the application form by logging in to the official website of COMEDK and going on to the next step of COMEDK UGET 2020 registration process.
- The COMEDK application form 2020 requires personal details, previous exam details, educational background, photograph and signature, contact details and test centre choice.
- Most importantly, one should submit the application form only after completing it cautiously and to submit it to the official website of COMEDK by paying the application fee which is Rs. 1800/- and one should make the payment for the same via online or through bank challan system.
- The final step in the COMEDK UGET registration process requires the candidate to select a test city according to the preference and click on the 'submit' button.
